## INSTRUCTIONS FOR THE SUBMISSION OF ABSTRACT

1. The abstract text must be no more than 350 words not including title and authors' information and should highlight the main points the presenter/s wish to communicate. If your abstract exceeds the length, it will not be accepted. Tables and Figures also aren't included in the abstract.
2. The sub-theme and the key area of your abstract must choose for submission. Check the list of sub-themes and key areas in above.
3. The abstract structure must include the following sections;
  - Title (max 20 words)
  - Contributors
  - First Name
  - Last Name
  - Primary Institution, City, Country (only one affiliation may be listed)
  - Background: Summarize the background of the study.
  - Purpose: Write the aim of the study within 1 or 2 sentences
  - Methods: Describe the methods that are applied to measure your research results
  - Results: A summary of major findings
  - Discussion: Interpretations, broader implications, future research
  - Conclusion: A statement of conclusion in your study

\*Max 350 words, excluding title and contributor's details.
4. The abstract must be prepared in MS Word using the following [link: FORMAT](#).
5. To submit, go to [ichs2025.com](https://ichs2025.com) (accessible only from 7 January onwards)
6. The abstract can be submitted in ONLY ONE of the following presentation preferences:
  - Oral Presentation: A 10-minute on-time presentation
  - E-Poster: A 7-minute pre-recorded video presentation using Power Point

\* E-Posters will be displayed on the website of ICHS 2025 until May 30, 2025.
7. The ICHS 2025 Committee reserve the right to reclassify submitted abstracts into the most appropriate presentation type.
8. All submissions must be composed in grammatically correct English.
9. A maximum of six co-authors may submit a joint abstract.
10. All decisions on abstract acceptance are final. Once the decision has been rendered on an abstract, no further correspondence will be undertaken on the selection process.
